Macon County Board Ordinance Amending the Macon County Stormwater Management Ordinance

Ms. Gunter explained that the ordinance changes are for the MS4 Municipal Stormwater Program that we have with the City of Decatur, Village of Forsyth & Village of Mt. Zion. She said she had sent our ordinance over to the EPA to one of the ladies that is getting ready to retire and asked her to review it. She made some changes, kind of updating it. The changes are just general changes. Nothing big is being changed.

Chair Brown commented that he had reviewed it and the changes are just minor wording revisions and nothing substantial at all.

Motion to forward the resolution to the full board with recommendation to approve made by Ms. Cox, seconded by Dr. Zimmerman and the motion carried 5-0

CLOSED SESSION – None
